The Board President may not choose to recognize a person to speak who is not a resident of the Columbus Community School District. Citizens wishing to present oral or written petitions to the board may do so at the time they are given to speak. However, the board will only receive the petitions and/or listen to the citizens. The board will take no action directly following the presentation, but rather listen with a concerned attitude. The Board President has the discretion to limit the amount of time set aside for public participation. If the pressures of business or other circumstances dictate, the Board President may decide to set aside this practice until another meeting. (Board Policy 213)
